Vacation Policy

It is fully understood and expected that you might take a vacation during the summertime. Do not let CSA guilt stop you from having a good time! You can do one of three things in the event of a vacation:

1. You may arrange for someone else to pick up your share in your place.
2. At your convenience, you may come to the farm and pick-up an equivalent value of produce from our roadside stand for no additional charge.
3. You can simply cancel your box for that week and continue with regular pick-ups at your site once you return. Canceled boxes do not include a refund for that week.
4. You may donate your share for that week. Our drop site hosts in Racine have an ongoing relationship with the Racine Food Bank and have graciously offered to coordinate the donation of 'vacation' boxes.

Regardless of which option you choose, please email the farm at least a week in advance and communicate which option you would like to choose so we can plan accordingly.
